Quote 7 day camping safari

**Tarangire, Lake Manyara, Ngorongoro,
Serengeti & Lake Natron**

Day 1 Tarangire National Park

Today your safari adventure begins! We pick you up from your hotel in or around Arusha. During the 2,5 hour drive you will enjoy the view of the beautiful nature, landscapes and local communities. We'll do a full day game drive in Tarangire which is famous for its large numbers of elephants, baobab trees and tree climbing African Pythons. At the end of the day we go to [African Glamping](#) where you overnight in a tent with normal beds. But first you can dive into the swimming pool!

Day 2 Lake Manyara

Today we will go to Lake Manyara. This park is known for its breath taking panoramic views, waterfalls, babbling brooks with clear water and hot springs. We do a game drive in Lake Manyara all day and if you like to walk you can also book a 2 hour walking safari. On foot you can enjoy giraffes, buffalos and other animals from a good distance. In the afternoon we drive back to African Glamping

Day 3 Ngorongoro crater

On the third day we drive to the amazing Ngorongoro crater. The Ngorongoro crater is the largest intact crater in the world. The crater life estimated 30,000 large mammals. If you're lucky you might even spot a rhino today! At the end of the day we overnight at campsite Simba which has a beautiful location on the crater rim.

Day 4-6 Serengeti National Park

This day we will head towards the Serengeti. After a few hour drive we will arrive at the Serengeti. After lunch we do a game drive all afternoon in this beautiful park. The Serengeti is known for its endless plains of savannah and forest landscapes. The park is famous for the migration involving about 1.5 million herbivores and followers. At the end of the day you arrive at campsite Nyani. Your private chef cook will prepare a delicious 3 course dinner for you.

The fourth we have a full day in Serengeti. At the end of the day we overnight at campsite Lobo (north). On our last safari day in Serengeti we'll do a game drive in the morning and in the afternoon we'll be heading to the campsite at Lake Natron.

Day 7 Lake Natron (lake & waterfalls):

Today we leave early to go to Lake Natron and waterfalls. Lake Natron is a soda lake at the base

of the active Ol Donyo Lengai volcano, the area around Lake Natron is often described as having a desolate and almost lunar beauty. East Africa has 1.5 - 2.5 million Lesser Flamingos, representing three-quarters of the world population and most of them are hatched at Lake Natron. In the afternoon we drive back to Arusha where we arrive before dinner.
